

## SUPPLEMENTAL TYPE CERTIFICATE

**10054289**

This Supplemental Type Certificate is issued by EASA, acting in accordance with Regulation (EC) No. 216/2008 on behalf of the European Community, its Member States and of the European third countries that participate in the activities of EASA under Article 66 of that Regulation and in accordance with Commission Regulation (EU) No. 748/2012 to:

### **AEROCLUBUL ROMANIEI**

**LASCAR CATARGIU NR.54  
010673 BUCURESTI  
ROMANIA**

and certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable Type Certification Basis and environmental protection requirements when operated within the conditions and limitations specified below:

**Original Type Certificate Number:** EASA.A.453

**Type Certificate Holder:** S.C. CONSTRUCTII AERONAUTICE

**Type:** IS-28B2

**Model:** IS-28B2

**Description of Design Change:**

Replacement of the lifetime limitation of 35 calendar years by periodical inspections.

Structural soundness with respect to corrosion was addressed by a lifetime limitation of 35 years. The limitation is replaced by inspections outlined in SB IS-28B2/EO-26 at short intervals.

The lifetime limitation addressing fatigue in terms of flight hours and number of take-offs remains unmodified.

**EASA Certification Basis:**

The Certification Basis (CB) for the original product remains applicable to this certificate/ approval.

The requirements for environmental protection and the associated certified noise and/ or emissions levels of the original product are unchanged and remain applicable to this certificate/ approval.

See Continuation Sheet(s)
